MESSAGE FROM MRS AYRES

Welcome back to the beginning of a brand new academic year.

The children have impressed us all with their enthusiasm and excitement entering their new classes and meeting their new teachers.

Thank you for the positive feedback regarding the new start and finish times. We appreciate that there may be a few teething problems and welcome your support whilst we establish our new routines.

Year group information meetings will be taking place in the next few weeks after school. Please feel free to bring your children with you, and we will provide childcare in the next door classroom.

ASSEMBLIES

We continue to celebrate our school values and the value we will be focusing on is perseverance.

We are starting our celebrations with a special assembly on Monday the 9th September where Alison Mowbray (Olympian rower) will be sharing her experiences and successes with the children. Our first achievement assembly will take place next Friday (13th September) which will be a KS2 assembly and your child's class teacher will let you know if you are invited.

ATTENDANCE

Due to new legislation around school attendance, we will be introducing a system where you will be required to sign your child in to school via the school office if they are late arriving. If you need to collect your child early, you will be required to sign them out, giving reasons, at the school office. Proof of any medical appointments will need to be seen.

Further changes will be shared in the near future. We appreciate your support with these changes.

SCHOOL LUNCH PRICE INCREASE

Just to remind you that due to rising costs in food and labour Chartwells have increased the price of their school lunches from the beginning of this Term.

The new price for a two-course meal from September will be £2.97.
